"The truth is to be planted in the heart. It is to control the mind and regulate the affections. The whole character must be stamped with the divine utterances. Every jot and tittle of the word of God is to be brought into the daily practice. He who becomes a partaker of the divine nature will be in harmony with God's great standard of righteousness, His holy law. This is the rule by which God measures the actions of men. This will be the test of character in the judgment."

- Ellen G. White, Christ's Object Lessons, 314
