*Love is patient, love is kind.  
It does not envy, it does not boast.  
It is not proud, it does not dishonor others.  
It is not self-seeking, it is not easily angered.  
It keeps no record of wrongs.  
Love does not delight in evil  
but rejoices with the truth.  
It always protects, always trusts,  
always hopes, always perseveres.*

*Love never fails, but where there are  
prophesies, they will cease; where there are  
tongues, they will be stilled; where there is  
knowledge, it will pass away.*
