We must ask for the things that [Christ] has promised, and whatever we receive must be used in doing His will. The conditions met, the promise is unequivocal. For the pardon of sin, for the Holy Spirit, for a Christlike temper, for wisdom and strength to do His work, for any gift He has promised, we may ask; then we are to believe that we receive, and return thanks to God that we have received. We need look for no outward evidence of the blessing. The gift is in the promise, and we may go about our work assured that what God has promised He is able to perform, and that the gift, which we already possess, will be realized when we need it most.” ~Education, pp. 257-258
