Dear Brethren: As all the different members of the human system unite to form the entire body, and each performs its office in obedience to the intelligence that governs the whole, so the members of the church of Christ should be united in one symmetrical body, subject to the sanctified intelligence of the whole. {4T 16.1}

The advancement of the church is retarded by the wrong course of its members. Uniting with the church, although an important and necessary act, does not make one a Christian nor ensure salvation. We cannot secure a title to heaven by having our names enrolled upon the church book while our hearts are alienated from Christ. We should be His faithful representatives on earth, working in unison with Him. "Beloved, now are we the sons of God." We should keep in mind this holy relationship and do nothing to bring dishonor upon our Father's cause. {4T 16.2}

God has created man and given him all his faculties of body, soul, and spirit. The Lord Jesus has bought him with a price so full, so ample, that there could be no competition. What can man offer to God that is not already the Lord's own? God gave the faculties, and every working of these faculties belongs to God. This means that your experience from first to last is to be yoked up with Christ. Learning the lessons of meekness and lowliness of heart makes you a partaker of Christ's sufferings and appreciative of the virtues of the life of Christ. {HP 220.2}

There will be a constant prayer, Keep me by Thy power; let not my feet slide; let not my heart be filled with ambitious plans to exalt myself. . . . Teach me how to practice the art of self-emptying in order to be supplied with the grace of Christ and have that love Christ prayed that I might have, "as I have loved you" (John 13:34). I must receive grace that I may supply others with that grace. Oh, give my soul much nearness to God, that I may receive His disposition and love my brethren. Help me, O Lord, to realize that I am of myself unable to do anything in its true, pure bearings. Self, self, will be continually active for recognition, even in the very holiest of exercises. . . . {HP 220.3}
