

Footprints

*One night a man had a dream.
He dreamed he was walking along the beach
with the Lord. Across the sky flashed scenes
of his life. For each scene, he noticed
two sets of footprints in the sand;
one belonging to him,
and the other to the Lord.*

*When the last scene of his life
flashed before him, he looked back
at the footprints in the sand. He noticed
that many times along the path of his life
there was only one set of footprints.
He also noticed that it happened
at the very lowest and saddest
times in his life.*

*This really bothered him and he questioned
the Lord about it. "Lord, you said that once
I decided to follow you, you would walk
with me all the way. But, during the most
troublesome times in my life, there is
only one set of footprints.*

*I don't understand why, when I
needed you most, you would leave me."*

*The Lord replied, "My precious child,
I love you and would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*
