Announcements

Potluck is today, with our Conference Vice-President for Finance and Administration, Pastor Matthew Kirk. **After the benediction, please quickly excuse yourselves to the lobby while the deaconesses and deacons set the room for potluck. Thank you.**

A Sincere Thank You to our church family for the prayers, thoughts, visits, cards, phone calls, and text messages over Donald's recent (Monday, October 1) bilateral knee tune-up. You have no idea how special the KSDA church is to us. We love you. Donald & Laurie McElvain

Please Note: At the church board meeting last Tuesday evening a very difficult decision was made to close our Community Service Center. It was not done lightly. Our Center has been a part of our church ministry for many, many years and a lot of exciting things have happened. Lives of those working there and those served have been changed. Miracles have taken place. Encouragement has been freely shared. We have partnered with other like centers in our community and worked together harmoniously with them. But now we are in the position of being unable to find a leader and those who can serve are too small in number to work safely. November 6 will be our last day to be open to the public. We will be certain the notice of our closure goes out in a timely manner to our clients as well others in the community who assist us in this ministry. And now, of course, a heartfelt thank you to all of you who have given of your time and energy through the years to this ministry and have contributed to the success it has enjoyed. Your work has been appreciated and it has made a notable difference in our community.

Please, NO Playdough, Slime or items of a similar nature in the church complex without parental supervision. Thank you!

Josh Holloway, Pathfinder Master Guide from Kalispell, [Ed: from the October 11 Artery] has accepted the responsibilities of district coordinator for Montana. He will be working with the Conference to organize the Montana clubs and provide them with much needed information. Josh has a passion for Pathfinders and would like to see new clubs get started around our Conference. He is happy to assist churches in doing so. His wife, Kirsten, though not officially a co-leader with Josh, is excited to provide support in other ways. She is creating a Conferencewide t-shirt design for club members and is brainstorming ways to provide communication and updates online. Check the Montana Conference website soon for updated links for required forms and information on training! Thanks, Josh, for accepting the position! To reach Josh, his email is: josh.holloway@outlook.com

Community Outreach

Compassion Weekend, October 12-13. Every Adventist Church, University, Academy, and School in North America is encouraged to make every second weekend of each month, a special time for intentional community outreach, attending to the needs of people in our neighborhoods. These weekends will serve as reminders of our mission.

ACS DR. Disaster Response Teams have been positioned in the affected states and SDA conferences to respond to hurricane Florence. The most effective way to weather any disaster is to be prepared. For every dollar spent on preparation, four dollars are saved during the recovery effort.

For more information on any of the above, please call Gabriele at 720-560-4763 or email gmlaub@gmail.com.
