POEMS

Loving Tributes To Diamond Dextrina McNair

Until We Meet Again

Those special moments of you will always bring a smile if only I could have you back
for just a little while Then we could sit and talk again just like we used to do you
always meant so very much and always will do too The fact that you're no longer here
will always cause me pain but yours forever in my heart until we meet again.

-Tarika

I'm Free

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day, to laugh,
To love, to work or play.
Tasks undone must stay that way
I've found that peace at the close of the day.
If parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, these things I too will miss.
Be not burdened with times of sorrow
I wish for you the sunshine of tomorrow.
My life's been full, I savoured much
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wants me now, He set me free.

*I thought of you today,
but that is nothing new.
I thought about you yesterday
and days before that too.
I think of you in silence,
I often speak your name.
All I have are memories
and your picture in a frame.
Your memory is a keepsake
from which I'll never part.
God has you in His arms,
I have you in my heart.*
