I have several students this year who are not as familiar with Bible stories and concepts as other classes I've had in the past. They are really enjoying learning these amazing stories and all about God's incredible love for us. I had one student say, "Mrs. Ruud, before I came to this school I didn't know God. Now He's in my heart and I love Him." Wow! This is why we do this job!

So I thought it would be fun to ask my students today why they love Jesus. Their responses were sweet.

Ryan: I love Jesus because He made the world.

Eli: I love Him because He is nice.

Eliana: I love Jesus because He is in my heart.

Alex: I love God because He made all the flowers and stuff like that.

Ariana: I love Jesus because He made the animals.

Luke: I love Him because He protects me even if I'm in danger.

Kaila: I love God because He made us.

As for me, I have so many reasons to love Him. He has blessed my life with so much. But most recently, I've been very thankful for His care and guidance in the difficulties of life on our sinful Earth. I'm so grateful that we have a Savior who has navigated this life and can guide us through.

How about you? Why do you love Him?

Heidi Ruud
