## Recounting His Blessings

*"One of the means which God has ordained for the advancement of his cause in the world is to bless men with property. He gives them the sunshine and the rain. He causes vegetation to flourish. He gives health, and ability to acquire means. All our blessings come from his bountiful hand. In turn he would have men and women show their gratitude by returning him a portion in tithes and offerings,--in thank-offerings, in freewill-offerings, in trespass-offerings. Should means flow into the treasury in accordance with this divinely appointed plan,--a tenth of all the increase, and liberal offerings,-- there would be an abundance to carry forward the Lord's work" Review & Herald, February 2, 1911.*
