My Mother's Hands

Written in my mother's hands
are the stories of her life.
A kind and caring mother
through happiness or strife.

Faith, and love, and righteousness,
are written in her hands.
Charity and service,
as she follows Father's plan.

Sturdy through the storms of life,
and humble as she prays.
My mother's hands are hard at work,
but they find time to play.

Her hands rocked my cradle;
showed direction in my youth.
Encouraged me when I've been wrong,
and pointed me to truth.

Wrinkled now as time moves on
these gentle hands I hold.
I'm grateful for my Mother's Hands;
and the stories that they've told.
