## Adam

*Our family started growing back when we said "I Do"  
That is when I got to know Adam and his brother Aaron too*

*As it is in families we each moved again  
Through all of the changes we never did give in*

*The family expanded the grandkids came to be  
What each one grows to be will remain a mystery*

*Then came the call late at night the one you don't want to hear  
It change our lives in different ways and has for many years*

*From hospital to nursing home we watched the changes on the way  
How Adam retreated in himself until he passed away*

*I don't know how many prayers went out we can't count them all  
We just know that God was there and helped us through it all*

*Adam is up in Heaven now Grandma Gilbertson will keep him in line  
All his earthly trials are gone I think he will do just fine*

*Stepdad, Dennis Baasch*

Please join the family for a small lunch after the service.  
We so appreciate your presence today.
