

Always With You

*Your heart may be heavy and aching,
Now that I'm no longer here.
But, though you may shed many tears,
Let memories banish your fear.*

*My arms are no longer around you.
My lips cannot speak of my love.
But, I'm with you in spirit each day,
As I look down from Heaven above.*

*The house may be silent without me.
It doesn't mean I can't be there.
And, every night that you sleep,
Our love, in your dreams, we still share.*

*As you continue, alone on earth,
I'll be with you each step of the way.
I can still be the strength that you need,
To carry you through each new day.*

*Although, I know you can't see me,
Our spirits are joined as before.
So, whenever you feel uplifted,
Know it's me just loving you more.*

*In Heaven, we're given a gift
To still tend to the ones left behind.
So, smile when you think of me.
I remain in your heart and your mind.*
