HEALTH MESSAGE

Most people who become infected experience mild illness and recover, but it can be more severe for others. Take care of your health and protect others by doing the following: Washing your hands with soap and water or using alcohol-based hand rub kills viruses that may be on your hands.

Maintain at least 3 feet distance between yourself and anyone who is coughing or sneezing. Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

Illinois Conference

March 18, 2020 update

1. **All Illinois Conference schools are closed until March 30th.** Our Conference Education department has been working with our schools to insure a smooth transition from At-School Instruction to In-Home Instruction.
2. **All Illinois Conference events have been cancelled through the end of May.** Conference Personnel Committee and Executive Committee meetings scheduled for April will be held in a manner to be determined.
3. **The Illinois Conference Office is closed to the public until March 30th.** Office personnel will be working from home, and you may contact them via email. The Conference phone line will be manned off-site.
4. Due to government guidelines regarding the number of people who may assemble, **we are MANDATING that all church services be suspended** until further notice.
