### **God's Garden**

*God looked around His garden  
And found an empty place  
He then looked down upon the earth  
And saw your tired face  
He knew that you were suffering  
He knew that you were in pain  
He knew that you would never  
Get well on earth again  
He saw the road getting rough  
And the hills were hard to climb  
So He closed your weary eyelids  
And whispered "peace is thine"  
He put His arms around you  
And He lifted you to rest  
God's garden must be beautiful  
He only takes the best  
If tears could build a stairway  
And heartaches could make a lane  
We'd walk a path to Heaven  
And bring you home again*
