New Theme Book

This week our book is called *A Day on the Prairie*. This book highlights different animals and insects that can be found on the prairie, where many pioneers traveled in their covered wagons while moving west. It's a unique book because it was written and illustrated by third-grade students in Illinois.

Bible

In Bible this week the students will study how Abram led his family to worship and praise God and how God loves our worship as well. Our verse for the week is: "The Lord is our God and we will worship only Him." Joshua 24:24.

Letter of the Week

Our letter of the week will be LI.

Snack Helpers

Snack this week will be provided by: Monday, Charlie/Dale; Tuesday, Colt; Wednesday, leftovers; Thursday, Rhett.

☺ We are SO CLOSE to the end of third quarter! Let's finish strong with our best efforts, focus and neatness.

☺ **Social studies chapter 8 test** is next Wednesday. Learning to study for tests is an extremely important skill to work on at this grade level.

Students have their notes and should be reading through them on a regular basis.

☺ **Our fieldtrip to the Oklahoma Aquarium** is tentatively scheduled for next Wednesday, March 21. We still need drivers in order to go. If you would be able to help drive that day, please let me know. (Even if you plan to drive only your own child, please let me know as it helps in planning.) Thanks so much!

☺ **Multiplication!** Fourth graders are using their multiplication facts working with fractions and decimals. Third graders continue to build their skills with basic multiplication and fraction practice.

☺ **New spelling lists for lessons 25 through 29** are in the white envelop this Friday. Spelling words from lesson 25 will be tested next week.

5th & 6th Grade

Mrs. Janet Lopez

This week in Bible the students are continuing to study prophets and Kings in the Bible. We have been reading Royalty and Ruin. Students also made booklets with texts that we are studying. The books are meant to be taken home and one verse prayed over and studied each night until it is complete. The students should then return the booklets to school and turn in.

Social Studies this week was about Ancient Rome. The culture and religion of that time. We learned about the first gladiators and their fight for life.

Science continues to be about how humans affect the ocean and other habitats. Pollution, renewable and nonrenewable resources. Next Friday will be our Science test over Chapter 10.

In Language Arts we continued diagramming sentences and reviewed commas in a series. We finished reading and discussing Lucas Whitaker.

Our 5th graders solved problems using multiplication and fractions. 6th grade wrote Algebraic Expressions and solved them.

Continue to read for AR points. Be sure to study for Spelling, Vocabulary and Memory Verse tests every Friday.
