Prayer

Psalm 23 Beth and Mark Reese Family,
Abby, Katie, Seth

The LORD is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD forever.

Scripture 1 Peter 1:3-9

Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil, or fade.

This inheritance is kept in heaven for you, who through faith are shielded by God's power until the coming of the salvation that is ready to be revealed in the last time.

In all this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials.

These have come so that the proven genuineness of your faith—of greater worth than gold, which perishes even though refined by fire—may result in praise, glory, and honor when Jesus Christ is revealed.

Though you have not seen him, you love him; and even though you do not see him now, you believe in him and are filled with an inexpressible and glorious joy, for you are receiving the end result of your faith, the salvation of your souls.

Dr. Lyle A. Nyberg was born March 25, 1931, in his family's home near Cambridge, Minnesota, the son of Raynard and Eleanor (Nordin) Nyberg. When Lyle was in 5th grade the family moved to Columbia Heights, Minnesota where Lyle's father owned 2 Dairy Bars (grocery stores). Lyle worked in the stores after school and also held many other jobs during his youth years. Along with playing sports (football, basketball and track) he played the trumpet in the Columbia Heights marching band. During that time the band played twice in the Minneapolis Aquatennial parade. Lyle graduated from Columbia Heights High School in 1949.

While playing football in 9th grade (1945) he hurt his back. After adjustments by Dr. Gray, (Chiropractor) he was better and played in the next Friday's game. In 10th grade he injured his right shoulder and as a junior he injured his right knee. Each injury he went to Dr. Gray and received adjustments with good results. Lyle was greatly influenced with the results. After graduation Lyle chose to attend the Palmer School of Chiropractic in Davenport, Iowa and Logan Chiropractic College in St. Louis, Missouri. While meeting his class requirements, he also worked jobs to pay his tuition.

Lyle's plans to open an office and start a practice were interrupted when he was drafted into the U.S. Army on September 14, 1953. After his training at Fort Riley, Kansas he was sent to Salzburg, Austria. He arrived at Camp Rhoder, Austria where he worked in the army medical core department. In his free time Lyle downhill skied in the beautiful area mountains and traveled to many countries nearby. He was discharged from the U.S. Army on July 2, 1955.

After his army duty Lyle returned to Minnesota and purchased a chiropractic office in Willmar, Minnesota. Through friends Lyle met and married Geraldine (Gerry) Jensen. They were married June 20, 1959. They were blessed with three children.

Lyle developed a successful chiropractic business, enjoyed a balance with family, bowling, golf, hunting, fishing and Lions Club, where he served as president to a membership of close to one hundred members. Lyle's family attended the Willmar United Methodist church. Lyle sang in the church choir and served on many committees.

After retirement Lyle and Gerry enjoyed their Willmar Lake home. Together they planted and tended a large flower garden. They spent several winter months in Arizona and Florida. Their travels were to Hawaii, Europe, Israel, Egypt, Norway, Sweden, Denmark and China. Lyle also traveled to Russia, Normandy Beach, France, and tagged along with his son Scott to Australia, Japan, Rio de Janeiro and numerous cities in the states. As Lyle's health declined, Gerry and family could not care for him in their home and Lyle moved to Glen Oaks Nursing Center. He passed peacefully with daughters Nancy & Beth at his side.

Lyle is survived by his loving wife, Gerry; his three children, Dr. Scott Nyberg of Rochester, Nancy (Vidar Lee) Byberg of Willmar and Beth (Mark) Reese of Eden Prairie; seven grandchildren, Peter Nyberg, Kristoffer Byberg, Anders Byberg, Steffen Byberg, Abilgail Reese, Katherine Reese and Seth Reese; and one great grandson, Tobias Byberg, besides other relatives and friends.

He was preceded in death by his parents; one brother, Dr. Raynard Nyberg Jr. and one sister, Beverly Dockstader.

I AM A CHIROPRACTOR

I am a Chiropractor working with the sciences of the universe by turning on the life in man thru the art of the adjustment. I do not prescribe, treat or diagnose conditions. I use only my hands. I work with that “mysterious something” which created by body from two cells.

At a time prescribed aeons ago I was set in this body to experience. That cosmic power which created me, which also moves the seas, rotates the earth, directs the heavens, gives life, takes it away, is everything. And that power which set the universe in motion and created me did not abandon me when I became free of the security of my earthly mother’s womb. It is still with me and protects me as it moves all forms toward their final predestined goal.

It is not mine to educatedly ask “why” or “where”, but to Innately live; and live to help my fellow creatures. And with this Chiropractic adjustment I use all the powers and energies moving this universe, to allow my fellow creatures the chance to live, free of dis-ease.

I wish nothing in return, only the chance to GIVE. I give with the only thing I have, LOVE. And I love all by removing that which interferes with 100% of LIFE. I do not look to others for direction. I look within. I am a perfect expression of God living 24 hours each day for others—I am a PRINCIPLED CHIROPRACTOR.
