Education Financial Assistance: Thank you so much for your generosity in helping our young people with their financial needs so that they are able to receive a Christian education at either grade school or academy level. Our financial needs for the 2019-2020 year are as follows: Inez Wrenn \$750/Month, Academy \$1250/Month. We have several of our young people who are attending our academies that do not qualify for worthy student funds and so the Church board has set up a Student Evangelism account with a financial need for the 2019-2020 school year of \$2100/Month. To make a donation to any of the above accounts, please be sure to mark your tithe envelope **“Inez Wrenn WS, Academy WS, or Student Evangelism.”** Thank you for your financial support for Christian education.

Master Church Calendar: Please contact Shadelle Haley at 931-787-8500 to reserve the FLC, Church or Inez Wrenn for Ministry needs or personal events.

GUEST SPEAKER: Last month, our church was blessed by Elder Dennis Priebe's meetings on righteousness by faith. Those inspiring meetings were just the beginning of many more equally powerful presentations Elder Priebe offers. If you would be interested in bringing him back again next year, please submit a pledge of support to Melanie Hickman. The cost is \$300.

September 2019 Update:

Hello Everyone from the Dominican Republic,

I have now been here for a month as of the 27th, Tuesday. Lots of things have happened since my August update. I have met a lot of the natives: tadpoles in water, lizards on walls shaking their heads at me, spiders offering to cook my food in the microwave, frogs singing me a song, and dogs barking during the night to “help” me sleep. We’ve had power outages numerous times which causes you to dash to charge things as soon as the power comes back on. To add to that I got sick the 2nd weekend here for 2 days. That was not fun I assure you! But aside from that, I have met some wonderful people and children. When I take a walk, almost every time, I meet a child or two and most want to play or talk. We also went to the pool piscina (pool) once. Here they call me tia (aunt) which is a common thing. We have such fun!!! Come join the fun!!!

For the last two weeks, we have been preparing for school. If any of you have looked at my recent Facebook posts you will see some pictures of what we’ve been doing. We have had our local teacher’s meetings and then the big one for our northern region. We have cleaned out our rooms finding a few prospective students wanting to join(a lizard and a frog or two). Also, we have painted tires, playground equipment, benches, and trees, yes trees. We’ve planted flowers and trees (lime) as well. This year I will be teaching with another wonderful young Colombian lady for K and 1st (Her 1st year here too). Here Kindergarteners only go to school for 2 hours. We could learn something from them. I will also be teaching 2nd-6th in English Classes. That is going to be a real challenge for me and I am nervous. It is one thing to speak conversational Spanish, but quite another to discipline and teach in Spanish even though I will be teaching English.

One last thing: We had a large family brought to us last week who had only been sleeping in one bed. Most settled in well, but one of the middle children (and the youngest) has had the hardest time, although now they seem to be adjusting well.

I know this was a lengthy update, but so much happens right before a new school year and so much more than can be said here. Please keep us in your prayers, as we begin our new school year, please pray for me as I begin teaching here, and please pray for the new family that has just arrived and is still settling in. Until next month,

Denise

Praises and Requests

Let us praise God with you! Let us know if you have answers to prayers that we can put in the bulletin, so that our shut-ins who read our bulletin online can see the Lord at work in their church family.

“If the Savior of men, the Son of God, felt the need of prayer, how much more should we as feeble, sinful mortals feel the necessity of fervent, constant prayer. Our Heavenly Father wants to bestow the fullness of His blessing. It is our privilege to drink largely at the fountain of boundless love.”
