Wanda Curlee
Dr. Wallace E. Boston School of Business

Dear Wanda,
Congratulations on being nominated and selected as an award recipient in the APUS Rewards and Recognition (R&R) Program. You are receiving a Vision Award for those who provide a transformative experience, creating learning experiences, student interfaces, degree programs, communities of learning, ease transfer credit, enhance affordability, build partnerships, and offer thought leadership to change higher education.

Your nominator noted:

Dr. Blanton and Dr. Curlee recently sphere headed the creation and launch of a Faculty Advisory Committee within the Dr. Wallace E. Boston School of Business. This committee will enable the faculty's voice to be incorporated in the evolution of decisions that influence faculty within the school. In addition to this work, both Directors recently participated in an interview with the CTL in which they shared the story of this committee's creation, along with the collaboration that made it possible. This Success Story video will be published within the new APUS Engage course so that it may inspire others.
