### Until We Meet Again

Those special memories of you  
will always bring a smile,  
if only i could have you back  
just for a while.

Then we could sit and talk again,  
just like we used to do.

You always meant so very much,  
and always will do too.

The fact that you're no longer here,  
will always cause me pain,  
but you're forever in my heart  
until we meet again.

See You Later, Alligator! After A While, Crocodile!.
