It's easy to get sidetracked in life. Too often, we are distracted by "life," and everything that comes with it. I recently started reading this book to my class, and I love it!! I love that it focuses on the real reason we are on earth. We are on earth to spread the love of Jesus to everyone we encounter. Everything that comes out of our mouth should reflect who Christ is. In everything we do, we do for Him.

The Called...The Chosen (by Ken McFarland)

Who are they?

They are God's true and loyal followers in every age whose love for Him-whose commitment to Him-is too strong and deep to be shaken.

God has always had a people-a people called to stand separate from error and compromise and lies and counterfeits.

God has always had a people-a people chosen to show and tell the world what He is really like-to defend and proclaim His truth.

And God still has a people. Standing in that long, unbroken line of the faithful that began with Adam and Eve, God has called a chosen remnant today. And to His remnant people, God has given the urgent task of reaching out to the world with His good news-of winning them to Jesus Christ so that when He returns soon to this earth, they will know Him and be ready to meet him.

Who is called? Who is chosen?

You are!

1 Peter 3:15

"But in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect."
