Page 6, Payment Plan Agreement: This section is only used if all or part of tuition is being paid over up to 8 monthly payments. If you will be making monthly payments, this section is required.

- The maximum number of installment payments is eight.
- Installment amounts cannot be less than $25.
- Final exams may be taken only after the total amount due for the course is paid, and if the account as a whole is current.
- A fee of $20 per month is due with late payments.
- The first installment is due on the first of the next month, if enrollment occurs before the 15th day of the month. If the enrollment occurs on or after the 15th of the month, the first installment will be due on the first day of the second month following the enrollment approval date. All other installment payments are due on the first of the month.
- PLEASE NOTE: Monthly payments WILL NOT automatically be debited from your payment account. Monthly payments will need to be made to our financial office.

Page 6, Financial Agreement: This section is required for all enrollments, even if no part of tuition is being paid in monthly payments. Initial next to all 3 parts, and sign and date at the bottom.
