

“Charlie-isms”

- Close that pneumonia hole before I freeze to death. (When sliding glass door was open when we were together at Christmas)
- The proof is in the puffing. (When given his stocking and someone made the comment that someone must love him)
- you lie like a trooper.
- Try not to carry your problems to bed with you.
- that may not be right but that is how I remember it.
- so glad you got to meet me.
- when it comes to farming if it worked once don't do it again.
- when asked have you lived in Kansas your whole life- “not yet”
- I've never driven a vehicle faster than it would go
- Catch you on the flip flop
- Whatever makes your skirt fly up
- Remember you have precious cargo in that car
- It is a great day for the race-said to us kids when he was getting us up in the mornings.
- It's slicker than greased cow manure
