## What "Mother" Means

*"Mother" is such a simple word,  
But to me there's meaning seldom heard.  
For everything I am today,  
My mother's love showed me the way.*

*I'll love my mother all my days,  
For enriching my life in so many ways.  
She set me straight and then set me free,  
And that's what the word "Mother" means to me.*

Thanks for being a wonderful Mother, Mom!
