Like every family ...

Grace Fellowship has financial obligations to meet. Some are easy to see like power and heat, but many are not so obvious: children's magazines, Sabbath School, Bible study guides, teaching supplies, staff salaries, cleaning services, property insurance, and community outreach. These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community.

Because these expenses are constant ... the Personal Giving Plan recommended is that 3-5 percent of one's income be set aside for the local church budget.

This systematic giving ensures that all share in the blessings and the responsibilities of the local congregation.

*When we serve, miracles happen.*

For nine decades Oseola McCarty lived an unassuming, humble life. A washerwoman, like her grandmother, she learned early to be frugal. She started saving at 8-years old. When she died at the age of 91, her bank account stood at \$280,000, of which she donated \$150,000. The McCarty scholarship helps needy students. Her example inspired Ted Turner to donate one billion dollars to charity. President Clinton awarded her the Presidential Citizens Medal. Harvard University gave her an honorary doctorate. The United Nations distinguished Ms. McCarty with the Avicenna Medal for her selfless commitment to education.

*When we serve others, miracles happen.*

*Let us commit to supporting our local church budget with a zest worthy of our Lord.*
