

PRAYER TOPICS WEEK BEGINNING 13th June 2022

I have just had a telephone call that has turned my mind to *time*. Would I like my vacuum cleaner serviced? It would only take 30-45 minutes. I am retired but when could I fit it in? They say the older you get the faster time flies by. It certainly seems so. At this time of year everything in the garden seems to be growing so quickly, especially the weeds!

I therefore need time for that, Prayer Topics to do, meetings to arrange and attend, and on and on. How do we manage our time and then where do we fit God into all of this? Work, rest and play or should that be work rest and pray?

Monday – pray for our Ministers and their wives, Beckie and Elaine. Being on the Leadership and seeing how hard they work it is difficult to see how they manage rest. This week Nigel and Elaine are on holiday. Let us pray that they have plenty of rest and recuperation. That also means Dave is on his own. Pray that he is not overburdened with work and that he is able to spend time with Beckie in the evenings. Also thank God for those four people who God has put into our Fellowship. We are very fortunate to have them.

Tuesday – Pray for Irene and Helen plus the volunteers in Green Pastures that they may have time to share the Gospel with those who visit the shop and the Community Fridge.

Wednesday – Pray for Dave and all who help at Little Fishes. Pray that the time they spend there and in their preparation may bear fruit. Pray that the conversations that take place may sow seeds that will lead people to faith.

Thursday – Pray for the Youth and Kidz Church leaders and teachers, as they spend time preparing for the time they have with the children. That all their hard work may also bear fruit.

Friday – Pray for Pat and the team who do such a great job in the Coffee Shop. Pray for their time of preparation and for the time they serve the refreshments. May they have the opportunity to have meaningful conversations that may lead people to Christ.

Saturday – Pray for the Saturday Evening Congregation that they may have a significant impact on the Community. Pray for Pastor Marcos and the Leadership Team.

Sunday – Pray for the precious time we spend together. May we encourage one another, may we be willing to spend time with one another. Ask God's Holy Spirit to help us to be open with one another, to share our burdens and also our joys. Ask God to give us the time to pray for each other.

Thank you and God Bless,
Richard
