We're looking for somebody to join our team at Altrincham Baptist Church and the Hub Community Centre.

We are a vibrant, inclusive church and community centre in Altrincham. We have a big heart for the local community, welcoming many to our buildings across the week. Our two sites host weekly activities including toddler groups, Knit & Natter, Citizens Advice drop ins, community meals, café, community group hirers and social action projects and support.

We are looking for a caretaker/cleaner to join our small and friendly staff team. This is a vital role which enables and supports the activities that take place across the two sites. This is a job for someone with initiative, enthusiasm and energy to keep our buildings clean, safe and to set up the spaces for our many groups.
