To My Loved Ones

I am free

Don't grieve for me, for now I'm free,
I'm following the path God Laid for me.

I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.

Tasks left undone must stay that way.
I've found that peace at the close of the day.

If my parting has left a void,

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss.

Be not burdened with times of sorrow,

I wish you the sunshine of tomorrow.

My Life's been full, I savored much,

Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief,

Don't lengthen it now with undue grief.

Lift up your heart and share with me,

God wanted me now, He set me free.

TRIBUTES

My Son

I miss you Aaron
I thought of you with love today,
but that is nothing new.
I thought about you yesterday,
and days before that too.
I think of you in silence,
I often speak your name.

Tributes

My Brother

Those we love don't go away. They walk beside us every day unseen, unheard, but always nearby. Those special memories of you will always bring a smile to me. You had a huge heart that you gave unselfishly. I thank God he made you, my brother. I will see you on the other side.

Love, Buckie

Thank you for being so kind and thoughtful. You always made sure I knew how much you loved me. You showed your love through gift giving and I'll never forget the joy it brought to your face when you'd surprise me. I'll always remember opening my eyes to see stuffed animals and a hundred little toys that covered my floor when I was little. That will live as a core memory in my mind and last in my heart forever with the love I have for you. I can hear your voice so clearly saying "Hey my baby" with the biggest smile. This is not goodbye because I will see you later.

Love You Much
From Your Niece Rere
