

Kay Morton – Secretary Extraordinaire

Kay became the secretary for Love INC of Lewis County in January of 2011. She types the letters for the Executive Director, puts together the newsletters, types the reports for the Intake Coordinator, oversees the database and, generally, makes herself useful to any of the staff needing her assistance... with a cheery smile!

Kay lives in Napavine where she also has a busy piano studio, teaching upwards of 30 students per week. They keep her young. She also has two sons, two lovely daughters in law and two very special, above-average grandsons!
