

*The poem 'To My Wife' holds a special place in Marvin's heart
as the words truly capture the depth of his love for Lucy.*

To My Wife

My wife, my love, my dearest friend,
You've given me your heart to tend.
I've given you my life to share;
My heart is in your tender care.

My wife, my hope, my fondest dream,
We form a true devoted team.
In all the moments life may bring,
You are my star, my everything.

My wife, my source of lasting truth,
You stir in me eternal youth;
You give my heart a sense of pride;
You fuel my warmest thoughts inside.

My wife, my daily inspiration,
You're the love in my equation.
You're my source of deep affection.
You're my compass and direction.
