School supplies are purchased by our 5-8 teachers so that every student has exactly the right tools for learning on the first day of school. Your child will be given the supplies needed for success in an academic program designed to develop and establish strong study skills. A supply fee of \$30.00 will be assessed to your account first semester and \$30.00 at second semester when supplies are restocked.

***Please do not allow your child to bring other personal-preference supply items to school. These will be sent home for safe-keeping. Students should use teacher-provided supplies only.**
