In the Garden

*I come to the garden alone
while the dew is still on the roses
and the voice I hear, falling on my ear
the Son of God discloses*

*and he walks with me
and he talks with me
and he tells me I am his own
and the joy we share as we tarry there
none other has ever known*

*I'd stay in the garden with him
though the night around me is falling
but he bids me go
through the voice of woe
his voice to me is calling*

*and he walks with me
and he talks with me
and he tells me I am his own
and the joy we share as we tarry there
none other has ever known*
