

January 12, 2021

Hello All!

On January 11, 2021, our church in business session voted to resume using our church building for Sabbath School and Worship Services again beginning Sabbath January 16. Ready When You're Ready is our slogan for Piedmont Park in 2021.

We recognize that some members are ready to worship in the building.

We also recognize that many members are not ready to worship in the building, and that is perfectly fine. We will continue offering Sabbath School and Worship online. Joining for worship online is safest, and we will continue to offer that option. We do not want anyone to attend out of obligation. We want each of you to know that we will be ready whenever you are ready.  
Safety Measures for In-Person Worship Services

For the safety of others we want to have precautions in place to limit the spread of the virus at church.

- \* Masks are mandatory while in the building.
- \* All church attendees will maintain social distance of 6 feet apart in the sanctuary seating and while in the foyer.
- \* Deacons will dismiss the congregation by rows starting at the back of the sanctuary.
- \* If you are in quarantine, do not come to church. Please stay home and worship online.
- \* If you are feeling sick or have Covid symptoms, do not come to church. Please stay home and worship online.
- \* If you have been exposed to someone who has the Covid virus, do not come to church. Please stay home and worship online.
- \* Most of all, please be respectful of others who may have feelings different than yours. Also, let's continue to avoid handshaking and hugs for now.

We are cautiously excited to begin worshipping together in the building. We thank you for working together to navigate difficult and unheard of times of ministry. Patience, kindness and understanding are still needed as we move forward. We recognize Covid levels are still high in our community, so we want to move forward slowly and safely to ensure we avoid an outbreak at our church.

Please continue to pray for our church family and let's stay committed to Christ and to each other in 2021.
