

Little Free Pantry Jackson Action Plan

Timeline: When will you be able to start your project?

July 3, 2023

How often will your team meet?

At the present time, we will meet monthly unless it is necessary to hold an emergency meeting.

Are there any key dates to share for the project? No

Budget: You don't need to share exact prices, but please share how you are planning to spend the seed funding and what costs you're anticipating to get your project up and running:

Breakdown of expenses: (all amounts are approximate)

1. Office supplies – this category includes writing materials, distribution materials and other supplies you may find in an office setting \$60
2. Establishing communication for Little Free Pantry Jackson – this will include establishing landline or cellular service to have an effective means of communication for us to reach others/be reached \$50
3. Creation of business cards \$25
4. Costs of materials to complete construction of the pantry itself \$75
5. Checking and savings account \$125

Impact: How will your community benefit from this project? By offering the items in the pantry, we will be helping to assist homeless/transient individuals in need.

Do you have any measurable goals for your project, such as the number of people that will participate? Yes, we have several goals including community participation, volunteers and possible sponsors or corporate vendors that would offer support for what we are trying to do.

Are you hoping to spread knowledge or increase interest in a specific subject? Yes, we want our community to focus efforts on alleviating food insecurities in Jackson and surrounding areas.

Location: If your project requires physical space, have you decided the location? Not as of yet; we are looking at multiple locations. We have to have permission and be cognizant of laws.

Do you have all necessary permission and permits to carry out your project at the chosen location? Not yet but we are diligently working to get this done.

How has your kid leader been involved in the planning of the project so far? He has been very vocal and a major contributor to this entire project.

How will kids be involved in the design and activation of this community project? They will be very hands-on and provide input at each meeting.
