Yo soy un hombre sincero
De donde crece la palma
Yo soy un hombre sincero
De donde crece la palma
Y antes de morirme quiero
Echar mis versos del alma

Guantanamera
Guajira guantanamera
Mi verso es de un verde claro
Y de un carmín encendido
Mi verso es de un verde claro
Y de un carmín encendido
Mi verso es un ciervo herido
Que busca en el monte amparo

I'm a sincere man from the land of the palm trees
But before dying I wish to pour forth the poems of my soul
My verses are soft, soft green but also a flaming red
My verses are like wounded fawns seeking refuge in the forest
I want to share my faith with the world's humble
A little mountain stream pleases me more, more than the ocean
