

"My Love"

This is not what we planned for,
not how we thought it would end.

I have lost my sweet husband,
my lover and my best friend.

The first day we met, we both knew it was right,
there is such a thing as 'love at first sight'.

But I had a baby boy
and wondered what you would say.

But you loved him, took him as your own
and raised him the right way.

We only dated a few months then we said 'I do'.
And a short time after that, we added the other two.

Our family of five was as perfect as could be.

We were such a great team, You and me.

We created amazing memories and vacations
and oh the places we lived.

You always supported me
with the love that you'd give.

What a hard worker, great teacher and friend.

You always did what was asked - loyal to the very end.

We cannot forget your favorite three: Cam, Kash and Hazel.

What a blessing they will always be.

Your extended families you loved with all your heart.

And as some of them have left, it seemed too hard to part.

Now you are with them: healthy and free.

Working with my dad, Ray and DJ, probably all three.

It comforts us to know you have so many who care
that love you and couldn't wait for you to get there.

We will be good down here and will never forget your love.

This is not the end, for we will meet again
in that great sky above.

Until then, I send you off with My Love.

Written By-Tina Somers

*Amazing Grace how sweet the sound
That saved a wretch like me.*

*I once was lost but now I'm found
Was blind but now I see.*

*'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed."*

Repeat first verse
