

God's Garden

God looked around His Garden and found an empty place.
He then looked down upon His earth and saw your loving
face.

He put His arms around you and lifted you
to rest. His Garden must be beautiful, He
always takes the best.

He knew that you were suffering, He knew
you were in pain. And knew that you
would never get well on earth again.

He saw your path was difficult, He closed your tired eyes, He
whispered to you "Peace be Thine" and gave you wings to fly.

When we saw you sleeping so calm and free of pain, We would
not wish you back to earth to suffer
once again.

You've left us precious memories, your
love will be our guide, You live on through
your children, you're always by our side.

It broke our hearts to lose you, but you did
not go alone. For part of us went with
you on the day God called you home
