*My Brother*

*As kids, we lived together*

*We fought, we laughed, we cried.*

*We did not always show the love,  
that we both had inside.*

*We shared our dreams and plans,  
and some secrets too.*

*All the memories we shared,  
are what bonds me now to you.*

*We grew to find we have a love  
that is very strong today.*

*It's a love shared by our family,  
that will never fade away.*

*You are my brother not by choice,  
but by the nature of our birth.*

*I could not have chosen a better one  
You were the best on earth.*
