In Memory of My Dear Husband  
Losing a Husband as special as you,  
has left my heart aching its broken in two.  
No words can describe all the grief and the pain,  
I'd give all I have just to see you again.  
But you're with the angels and for now I can wait,  
For we'll meet again, Dear beside heaven's gate.  
Love, Your wife Emma

Daddy

Where do I start.. well, I could go on and on about how  
you have touched so many hearts  
Daddy, I am going to miss you, our laughs, talks, cries,  
and just your overall infectious smile. Even days  
When I knew you were not your best you still smiled and said  
EVERYTHING WAS ALRIGHT. You left here early May 28, 2024 around  
3:00 am that morning but you forgot to tell me and momma you  
were gonna leave us. But I am so glad we knew the place where you  
went and that you are OK. In your words, "When I leave here just  
know GOD'S got me." So with that, I am comforted in knowing whose  
you are and where you are....Daddy, see you later.

YOUR SON, Frederick E. Osborne
