## INTERNET ACCESS AGREEMENT

### Student

I understand the Internet can connect me to much useful information stored on computers around the world.

While I have access to the Internet provided by the school I will use it only for educational purposes.

I will not look at or participate in anything illegal, dangerous or offensive; I will clear any offensive pictures or information from my screen and immediately inform the teacher.

I will not reveal home addresses or phone numbers – mine or anyone else's.

I will not use the Internet to annoy or offend anyone else.

I understand that if the school decides I have broken these rules, appropriate action will be taken. Any activity not in compliance with these rules may result in a loss of access as well as other disciplinary action.

### Parent or Guardian

I understand the school provides a filtering system on computers connected to the Internet, and that every reasonable effort will be made to provide supervision. I also understand the school cannot completely control what is accessed.

I accept that, while teachers will always exercise their duty of care, protection against exposed to harmful information must depend finally upon responsible use by students.

\_\_\_\_\_ I believe \_\_\_\_\_ (name of student) understands this responsibility, and I hereby give my permission for him/her to access the internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. Any activity not in compliance with these rules may result in loss of access as well as other disciplinary action.

\_\_\_\_\_ I decline having my child use the Internet at school.
