# World's Greatest Mother Award

Presented to Beatrice Mitchell

This special award certifies that: while raising her family through times of anguish, pressure, sorrow, and pain, she faced it all with patience, understanding, and love. She has shown in a multitude of ways that she takes care of her family before herself. She is a good and caring person that continues to give even when she is overlooked or taken for granted. Therefore, we acknowledge, the undersigned take pride in presenting this well-deserved citation: Her Loving Children

## My Loving Grandmother

When I had not a shoulder to lean on, and my eyes were filled with tears. I had my Mama to count on, to drive away my fears. Despite all the wrong I'd done, when the light couldn't see, Mama was my shining sun, who gently consoled me. She always encouraged and inspired me, to follow my every dream, she'd tell me that I was not alone, cause she was my team. She'd tell everyone about me, what I was doing, when and how, she preserved everything I ever gave her, from the time I was little till now. Without you Mama I am so lost from the time I was little till now. Without you Mama I am so lost, my tears just won't dry, but I believe you're one of God's angels, you spread your wings and fly. We are sure you are around us, in everything we do, you're one of God's angels we do trust, we can see all our wishes come true.

Dear Mama we really miss you, and wish with us you'd always be, but since God wants you too, I'll keep your memories alive in me.

# If Tears Could Build A Stairway

If tears could build a stairway and thoughts a memory lane.  
We'd walk right up to heaven and bring you home again.

No Farewell words were spoken No time to say "Good-bye".  
You were gone before we knew it, and only God knows why.

Our hearts still ache with sadness and secret tears still flow.  
What it meant to lose you — No one can ever know.

But now we know you want us to mourn for you no more.  
To remember all the happy times life still has much in store.

Since you'll never be forgotten We pledge to you today —  
A hallowed place within our hearts is where you'll always stay.

God knows why, with chilling touch, death gathers those we love  
so much, and what now seems so strange and dim, will all be  
clear, when we meet Him. We Knew you for a Moment
