

*And now I'm in this cold bright light  
And this don't even feel like life  
'Cause I don't have the only woman  
who believed in me  
Religiously*

*And now I'm in the back of the church  
Praying just to stop the hurt  
'Cause I don't have the only woman who was  
there for me  
Religiously*
