Dear Parents,

We have had a great week! We are studying the human body. Mrs. K's room is researching body systems. Grades 1-4 talked about the muscular & skeletal systems. Ask your kids how many muscles are in the human body and how many bones an adult has.

We are continuing to battle GERMS! We are having success, so far. Please remember that a good night's sleep is one of the best defenses against the flu.

Please remember, that school is in session on Feb. 18th (President's Day) This allows us to dismiss early in May.

Grades 1-4 will be celebrating the 100th Day of School on Jan. 22. Please help your child collect 100 things that will fit into their Ziploc bag. It would be fun for your child to dress up as they would look at 100 years old.

Grades 5-8 will be attending the Middle School Choral Festival. It will be hosted by CVA on **March 21**. **The registration fee is \$22 and is due by FEB. 12.** **Please make all checks payable to George Stone School.** This annual music fest is always a high day, full of practices and performances, for our students in 5-8. We will share more details on the schedule when they are available.
